

# Bush Fire

**Talking Matters**  
talkingmatters.com.au

There has been a  
bush fire near my  
house.

I could see and  
smell the smoke.

Mum and Dad  
made sure I was  
safe from the fire.

My family and I watched the news and saw the bush fires burning near people's houses.

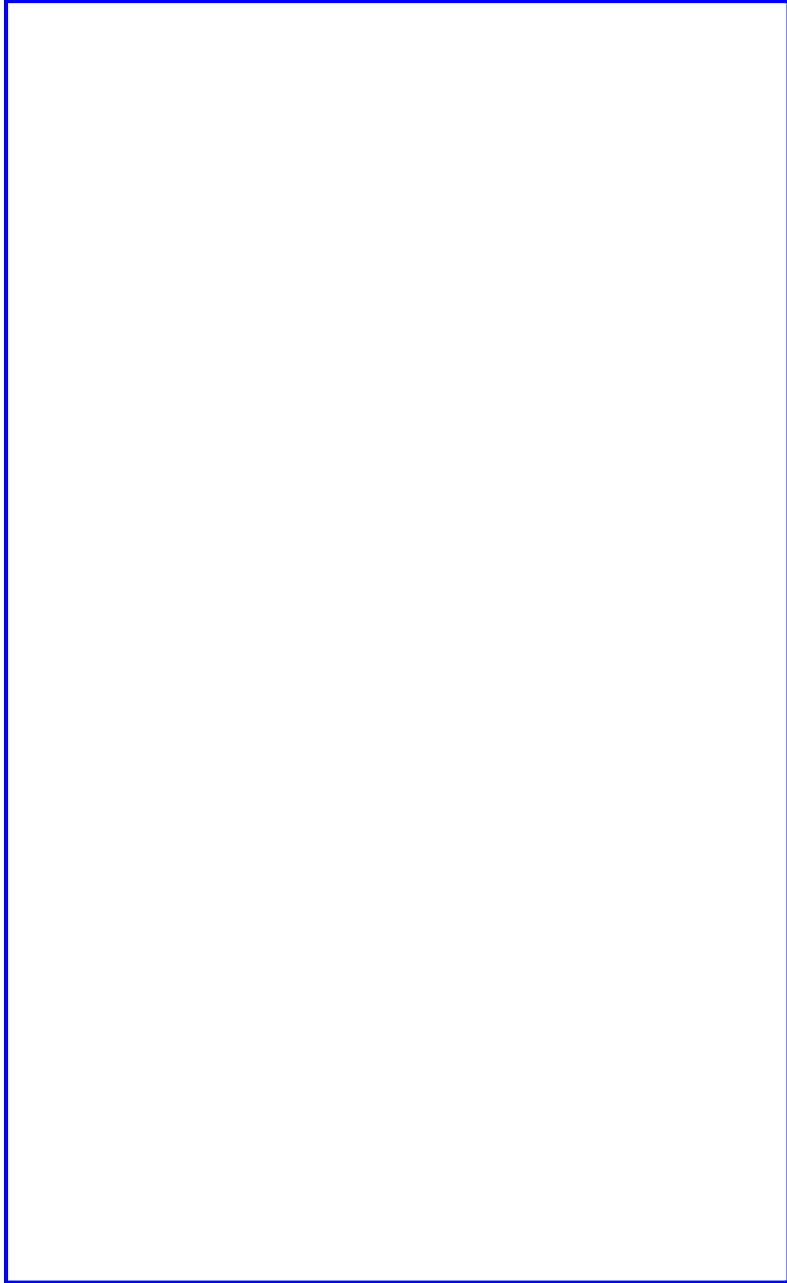

The fire has stopped now. The fire fighters stopped the fire. This is their job.

When I feel scared or confused about the fire, I can ask my parents to tell me what is happening. I can ask my parents for help.

This way, I know what is happening and know that I am safe from the fires.

The logo consists of four interlocking puzzle pieces arranged in a 2x2 square. The top-left piece is yellow and contains the word "talk". The top-right piece is green and contains the word "live". The bottom-left piece is blue and contains the word "play". The bottom-right piece is blue and contains the word "learn". The pieces are slightly offset from each other, creating a 3D effect.

The logo features four interlocking puzzle pieces: a yellow piece with the word "talk", a green piece with "live", a blue piece with "play", and another blue piece with "learn".
